Ingredients : Oil, water, palm kernel oil, Na hydroxide, palm oil, rice bran oil, grape seed oil, papaya fruit extract, yeast culture, glucose, papain

Price : ¥1,890 (JPY)

※ NO FLAVOR, NO COLORS, NO PRESERVATIVES, NO COAGULANTS AND NO SYNTHETIC SURFACTANTS

※ If allergic reactions occur stop using this product.

※ Since this is a natural product, color and texture may vary from time to time but quality is not affected.

 **BIO**  
**NORMALIZER**  
Fermented Green Papaya

## EXFOLIATE

Papain is the major enzyme in Papaya, it has the ability to break down surface dead skin cells. The papain in Megumi acts as a gentle exfoliant, clearing up oily skin, de-clogging pore debris, revealing a healthy pink glow.

## MOISTURIZE

Contains Olive Oil Emollients which locks in moisture and prevent dryness.

- REVEAL THE NATURAL HEALTHY SKIN GLOW IN YOU
- MADE FROM ORGANICALLY GROWN GREEN PAPAYA AND OLIVE OIL
- UNSCENTED, NO ARTIFICIAL PRESERVATIVES ADDED

## Papaya blessed with Nature.

Since, we are the first to use fermentation technology in making our papaya soap; this makes our product very unique.

|                       |                    |                  |                   |
|-----------------------|--------------------|------------------|-------------------|
| Papain enzyme         | proteolytic action | lipolytic action | glycolysis action |
| Antioxidant component | beta carotene      | cryptoxanthin    | zeaxanthin        |

## Megumi is made from all natural ingredients.

Proven to be mild to keep skin healthy and resistant to allergies and other skin irritations. As a hypo allergenic soap, this product is safe for babies and highly recommended even to the most sensitive skin.
